(Artidale speaking to me:) Your heart, mind and conscience “angel” is a team, rather than one individual. I am on this team. We take you through. These messages are to give you ‘a tip of the iceberg’ clues. A few of us might show our head, or nose or eyebrow or some little peek at who or what, as we are to be kept rather veiled. But many of us teamwork on all aspects of mind and heart and soul.

I help you love the Lord with your mind.

Others help your heart and all that goes into it.

Yet others help you love the Lord with your whole being, your soul.

So that in the end that scripture is fulfilled. (**MAT.22:37** Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.)

Then there are others that help you show your loyalty and love through your might. (**DEU.6:5** And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.)

We all take turns training you in some aspect, something that needs rounding off, so that you don’t have too much all at once, and we help each other in what they are called on to do at the right time.

It’s all orchestrated by the King and what His plan for your life is, at each part of the journey.

So many assists you in your journey.

So don’t worry if you’re “getting them all right”. There are so many that can help, when needed, in all realms of the spirit world. So they could be called “spirit helpers”. But some are more “angelic assistants and conductors” who are fulltime focused on you and a few others that are linked. Just like we are a teamwork, we help teams. No one is just on their own, but they affect this other one, who affects these other ones, and so forth. And sometimes we swap around too, from parts of the team to other parts of the team, according to the need and our expertise or what we have been skilled and trained in.

I’m devoted to your cause, the cause of getting you through safely and happily to the Master. I’ve been given the job, and we’ll get through this together.

There is one who always stays, “closer than a brother”, and that is your faithful guardian, your transporter and carrier, who holds you in his being and cherishes you like a daughter of the King. He stays with you, as do many others. But he is a faithful one.
