

## **16-NOV-2020\_a thousand victories**

(Jesus speaking: ) My angels are all around you. The battles you faced yesterday was nothing compared to the victories won. I will match the battles by a thousand victories. I make them so much better than the troubles you get hit with for pulling down the riches of Heaven. You can expect that battles equal victories, and many more than the troubles you face for doing your Lord's Work.

Can't you just see, at least in heart if not with eyes, the glories that await the faithful warriors who never say "I quit"? It's really going to be good. I'll see to it that it is. I'll right each wrong and heal each nerve and sorrow. I will make it all so very beautiful in the end. You'll see.
