More from the "Seeds of David": Journey

Sometimes you haven't the faintest idea of what importance a certain thing will play in the larger scale of things, why and how something can be for the good of many. But that is where faith to simply obey God's instructions for you today, comes into play. You don't write the script of your journey through life, God does.

Trust and obey

For there is no other way

To be happy in Jesus

But to trust and obey

Golden words these are. Simply, yet profoundly true. Live them, believe them, and simply take the next step.
