More from the "Seeds of David": Pain removal Pills (or PEP)

When you memorise little quotes that perk you up, this helps you heal faster. You just quote those words passed on to you from Jesus, or His words as if from a messenger of Heaven, and it comforts you right away, and gets you fighting too.

You don't have to memorise oodles and oodles, but know well what is the most potent for fighting in your situation. It won't benefit you much to just simply memorise this or that, if it's something you seldom think to use and is so outdated it won't get you through the battles of today.

Use the hottest weapons, the latest Word, that will jab the pain givers right back before they get in a second blow.

Not by might nor by power, but by His Spirit will you win.
