

22-SEPT-2020_I share the secrets of God

(Jesus speaking:) I do honour those who honour Me. Those who love not themselves, but love Me and cherish Me above all. If I know you will do with My secrets, My precious and powerful, life-giving, thrilling parts of Me as is good for the Family of Faith, to build up that which is good, and to pull down that which worketh iniquity, then I share the secrets of God with you.

Tidings of good do I tell you. I still pass out the Good News of the Gospel. I still preach the Kingdom. And I use you to do it. I am in you, as you are in Me—in My Kingdom and Family of Heaven.
