

## **25-Jan-2021\_we need your prayers**

More from the "Seeds of David": Mandate

It's better to trust in the Lord than to put confidence in man. Because "confidence in an unfaithful man is like a broken tooth or a foot out of joint". But "God is faithful, who will not suffer you to be tempted above that ye are able, but will with the temptation also make a way to escape, that ye may be able to bear it."

The confidence must be anchored in the Lord God of Heaven, for He alone can make His will come to pass. You have to be on His team, and doing things in His way, for there will be many temptations to scare you and throw you off the path.

If you think a human can fulfill every need for accomplishing every task your Lord has asked of you to do, then you will be left wanting and way behind; late with all your God-given assignments. You can't depend on people to do and be all that you need, in order to fulfill your Lord's work, for they will fail and fall short, and the work will be left undone.

Just like you need to be supernaturally empowered in order to fulfill His will through you, likewise do other humans. For unless they are God-powered, that is to say that you have prayed down supernatural help for them, they will fall short, and can't possibly be whatever is needed, doing capably all that you need them to do.

So "pray one for another", for it is in doing so that victories will come, faster than ever.

We need your prayers in order to fulfill God's highest will.
