

5-May-2021_ obedience to My Words

(Jesus speaking:) It's obedience to My Words that brings the power from Heaven greatly into your lives. Obedience is the key. That is both a shield and a weapon that fights. It turns satan's blasts back on to him again with greater force than he shot you with, for it mixed with the light shield and had a reaction.

Obedying My living Word is both a shield and a weapon.

Move now into the world of fast obedience, where all things are possible, just because I said to do it. That is why fear is deadly. Fear to obey may cost you your life, not the other way around—that what I say to do might cost your life. But if you don't do it, out of fear, that might be the final thing you did not do.

[You need] Faith to fling yourself out in utter surrender and full faith obedience.

Obedience in all things, when the call comes. Put not your own will foremost, or what you think is best or even possible. For now is the time when spirit melds with the physical realm and all things really and can be utterly possible.

I am with you, always.
