

8-Feb-2022_getting ready up here

(Spirit being speaking:) We are getting everything ready, up here that is. There is going to be a hall filled with all the great things that a person will love to see, and will bring tears to their eyes as they meander through it on their way home. It will tell the tale of a life lived in love for Jesus and others. It won't show and tell everything, there will be plenty more to learn about, that a life lived for Jesus affected and did. But this will be the entrance, a way to say "Welcome".

You'll get to sit at the best seat and enjoy a meal that will delight you. The ball and dance sessions will top you up with the entrance level of affection, to get you up to par, and fill your needy vessel. Then it goes on from there with greater and newer and deeper love sessions and experiences as your days move on in this realm of eternal love.

There will be tears, but most of them will be good ones, ones that come when hurts are healing by seeing the good fruits of the past sacrifices. –That all things truly do work out for good for those who love Jesus, and who laboured to love others with all their heart, mind and soul, as a way to love Jesus fully.

Keep being faithful there, though it costs you in tears quite a bit. Those who labour in tears will truly reap in joy. To keep your heart soft the tears must flow, but the lilies that spring forth that will be seen in the heavenlies will be worth it.

[Note: The next day after receiving this message from someone in Heaven, I read a testimony from an elderly lady sentenced to hard labour prison. And when she most needed encouragement, she had a heavenly dream and experience. The "lilies" that she saw "in the Heavenlies" sounded just like what this ending line of this message was saying. It was so neat. I wondered if that woman was the one speaking this message, after I read the story the next day of what she had experienced. I'll record an audio of reading this testimony.]
