

## 9-FEB-2021\_Encounter with Green Angels

*(Note: ) On a family day outing a couple years ago this happened: In a place where trees were grown, like a very large garden of all kinds of trees from all around the world, I was standing by some very straight and tall ones, and all of sudden I felt like the trees were guards in the spirit, standing there, very, very awesome tall angels, just there. I was nearly overwhelmed to the point of falling down on my face, bowing down. I understood why the "groves" in the Bible times were the places of worship, or more like a glimpse into why. But I knew I wasn't to do that. All I could do was run away fast. I didn't want to risk worshiping false "gods" and fearing others but the Lord. I always wondered about that experience. The people in the Bible seeing angels did fall down in this worshipful feeling that must have come over them. I never knew what "worship" is, really. But this awe, fear, feeling very small, in wonder, honouring, saying someone is in charge or something, was the feeling. That must be a bit what "worship" means. Lord, can You please talk to me about this occurrence.*

(Jesus speaking: ) What you encountered, My love, was a team of "green angel" guardians. I have teams hidden here and there, at the most surprising locales. They each have their commissions, and they each have different ranks, and are different sizes, shapes and colours.

You encountered a team of "green angels" of sort, who meld with the nature and find out what is needed, and pass messages on to Me. Just like there are those who meld with you, so are there those that meld with the nature and can be stationed in a certain place.

When people who sensed these beings started making idols of the tree itself, thinking the very wood was the god they were to serve, or contained that ghost or spirit indefinitely, that was where they went wrong. For the tree then was cut down and died and the spirit being that might have been stationed there to monitor things was moved elsewhere.

Trees can be a communicating line from above to Earth and below, just as you see the trees do reach in the natural up above and down below, so can they be inhabited and pass on messages from different realms. So can rocks, mountains, caves, and all sorts of places be dwelling "hang outs" for both good and evil. That's why you "go forth with singing" and "in everything give thanks" because praising as you go helps clear the way of the wrong guys and empowers the good to take over "everywhere you put your foot".

Don't worry that you were going to be doomed forever if you fell down when awe had struck you. It's a normal instinct to do so while in the presence of awesome beings. Like bowing before kings and those who represent Me. The sin of the heathen, and those who know better, is making an angel or other being be their God. And worshiping creation rather than the creator. So were you dishonouring Me and saying that I suddenly didn't exist, but that instead the real gods were made of trees and it was your new "god"? No. You simply felt very very small, and you loved what you felt radiating from these beings.

Remember that man who was healed of blindness and when he first saw, he said what? "I see men as trees walking". (Mark 8:22-26) Now what on Earth does that mean? Men as trees? Or was it trees as men? As I laid hands on him, much in the way that Elisha laid his hands on his servant to gain a glimpse in to the other realm where the spirits live and walk and move and conquer, so was this man able to see into the realm of the spirit.

It looked like "Oh, it didn't work, he got strange vision." But no, I was blessing him with an extra gift for his faith and for coming to Me. I was showing that I was in charge of the physical and had My hand in the spiritual realm too. I could give them spiritual sight when and if it was needed. And I can withhold it too, like I do with you most of the time, to grow your faith.

So this one got to see into the spirit, and then he got the proper gift of sight as well. But since the first thing he remembered seeing when being healed by Me was other-worldly, that gave him something more to think about. He never forgot it, and it helped him to walk in the fear of God. He needed more than physical sight to get through to him. So when he came to Me I healed both his body's blindness and his spiritual coldness and blindness to the things of God. He became a new man.

These green angels are powerful and strong, and are not to be messed with. They, unlike others, don't wait for your command, but are commissioned to do this or that. They get their orders from the top. But like you saw yesterday, requests can be made, and when a bit of their power is infused, it's very powerful.

*(Note: While the boys were reading the Bible with their dad, I was in the room too watching the baby. He was starting to have a BM and I could tell it was a bit difficult. I silently laid my hands on his stomach and prayed in my mind, and asked for help from his green angel. What followed was a first! –Besides someone saying outloud “goblin” at the first second my mind was saying “green angel”, to remind me about the “Green angel” prophecy where Jesus said “the ‘green goobers and goblins’ try to steal and take and destroy and keep for themselves as much as they can.” (end quote) What also happened was the baby didn't take his nap all day, until it was late in the day and it blended into his night sleep. He was so energised and happy too, that he could not sleep. Wow! So if we need that kind of energy, we know that it's available.)*

**MAR.8:22** And he cometh to Bethsaida; and they bring a blind man unto him, and besought him to touch him. [REACHED OUT FOR AFFECTION WITH JESUS]

**MAR.8:23** And he took the blind man by the hand [PRECIOUS, JESUS WALKS HAND AND HAND WITH HIM], and led him out of the town [OUT INTO NATURE]; and when he had spit on his eyes, [JESUS ANOINTS HIM, BUT IF YOU DON'T HAVE OIL, THE HOLY SPIRIT CAN ME TRANSMITTING THROUGH SPITAL TOO. HIS EYES WERE ANOINTED WITH ELIXIRS AND 'OPENED'] and put his hands upon him, he asked him if he saw ought.

**MAR.8:24** And he looked up, and said, I see men as trees, walking.

**MAR.8:25** After that he put his hands again upon his eyes, and made him look up [LOOK UP TO HEAVEN, TO THE GOD OF ALL]: and he was restored, and saw every man clearly.

**MAR.8:26** And he sent him away to his house, saying, Neither go into the town, nor tell it to any in the town. [STAY SEPARATE FROM THE WORLD, AND KEEP THE EXPERIENCE TO YOURSELF. WE KNOW HE COULD TELL OTHERS LATER, AS MARK IS WRITING ABOUT IT. BUT MAYBE IT WAS GOOD FOR HIS FAITH TO HAVE TIME ALONE AND NOT FACE THE QUESTIONING TOWN'S FOLKS]
