

Little seeds in January and February 2022

(Jesus speaking:) Gird up and be sober, for the enemy is on a rampage to eat you alive for dinner. When you feel the gnawing pain, that is when your insides are being feasted on.

Gird up and remember that battles will come now, no matter what you do. Face it, there will be troubles on every side. Do you want to be buffeted for doing wrong or right?

(Jesus speaking:) It's not you, but My spirit using you. Remember? You gave yourself to Me and I use you. You get neither blame nor credit for doing what I tell and empower you to do. If it's wrong, I'll forgive because I led you to do what you are doing.

(Jesus speaking:) Mary, mary, how I love thee. How I would take you underneath My wing. Those who I have made clean are clean. I have cleansed you.

Darling, but look at the fruit of your sacrifice. Yes you had to sacrifice your image to be made as dung and stepped on by those who see not the treasure of this giving of love. But even dung has a place in nature; it too is needed in order for new plants to grow up good and strong.

Being as manure can be strengthening for others. Manure helps a plant to mature.

LUK.13:6 He spake also this parable; A certain man had a fig tree planted in his vineyard; and he came and sought fruit thereon, and found none.

LUK.13:7 Then said he unto the dresser of his vineyard, Behold, these three years I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground?

LUK.13:8 And he answering said unto him, Lord, let it alone this year also, till I shall dig about it, and dung it:

LUK.13:9 And if it bear fruit, well: and if not, then after that thou shalt cut it down.

(Jesus speaking:) The fight is on, but be not weary; hold on in faith. Nothing will take you off your mission, unless you allow it to. Be brave and fight for the souls you are meant to reach.

(Prayer:) Deliver me Lord from the enemy who seeks to snare me, this way and that, and turn me off the road I am to walk; through fear, through reproach, through tribulation. Come what may, I wish to complete the course that You have set for me. Amen.

(Jesus speaking:) I know you are hurting, but this is a bridge we've got to get passed. It could be worse. You could be having to trudge through the water. But no, you are up on the bridge looking at the waves that are below, while you walk on upheld high above them. Onward we go to the other side, to the newest chapter. Good things will come, but you have to look-walk; that is to ask what steps to take, or you'll just be zigzagging or going in circles or walking backwards thinking that you are making progress but aren't.

(Spirit helper speaking:) Darling it's not that you are failing, but rather that you have gone over the top, in a big way, and the enemy's cage is getting rattled. You are the bird and you have escaped the snare that was unjustly placed on you, to force you to not live the words of Jesus. But you are out, free again, thank Heaven! It's better out here. The air isn't quite so suffocating. You still endure plenty of censure and you aren't just able to do anything and whatever you wish, but at least the freedom to live and do what you are told you from Heaven. Brush it off and keep hiking.
