**God Makes
the World**

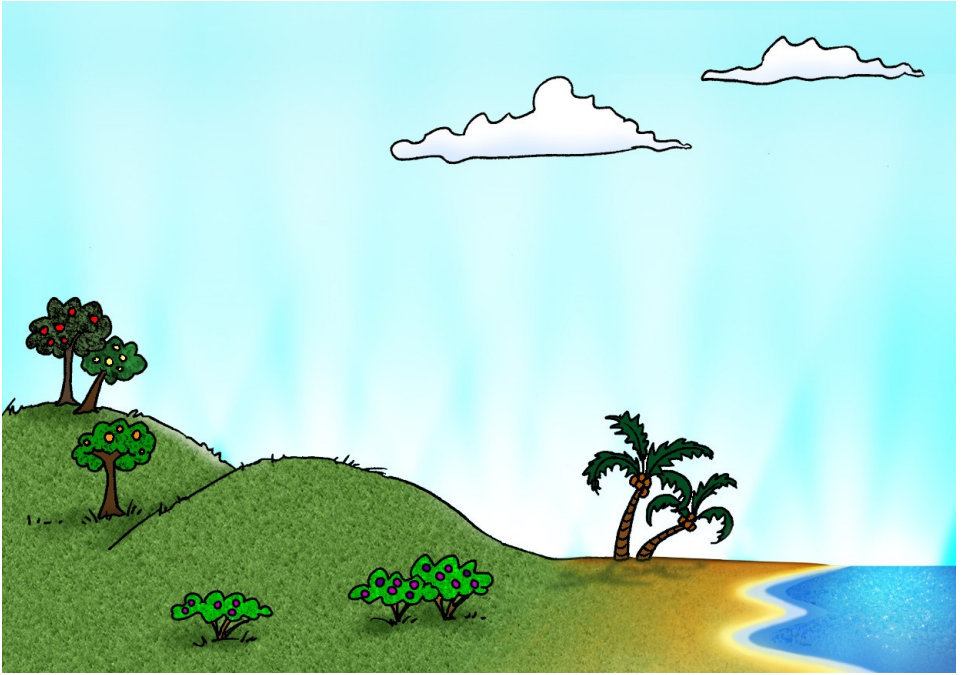

Easy Reader

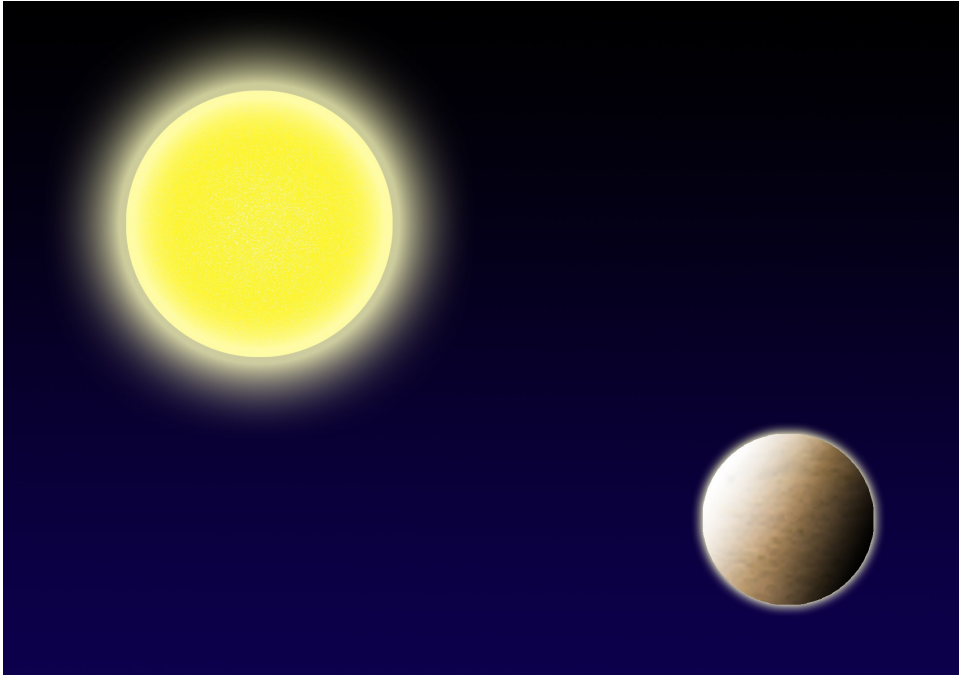

God said,
"Let there be
light!" and
there was light.

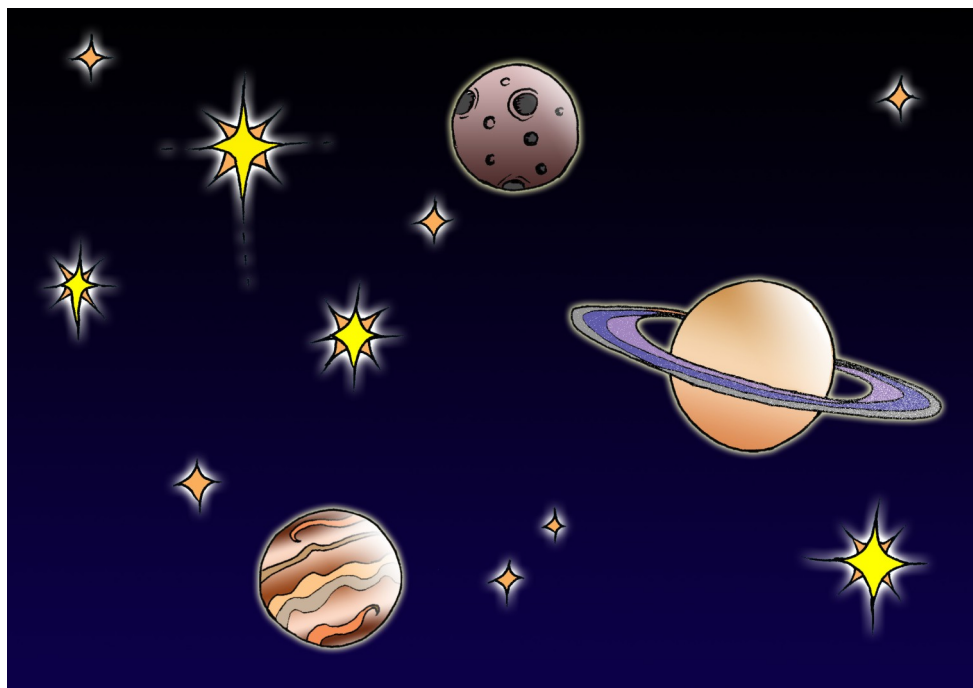

God put some
water on the
ground and
some in the sky.

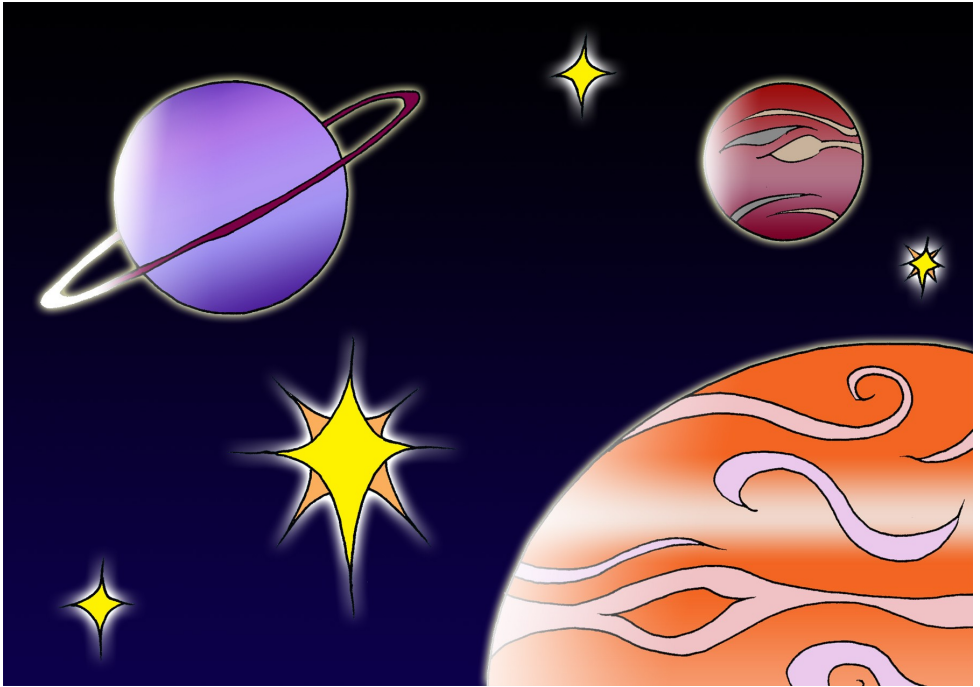

God shaped the
land and made
many kinds of
plants grow.

God made the
sun and moon to
shine and help
the Earth.

God made many
stars to twinkle
in the dark
night sky.

God made the
planets and the
whole universe.
