**The Garden
of Eden**

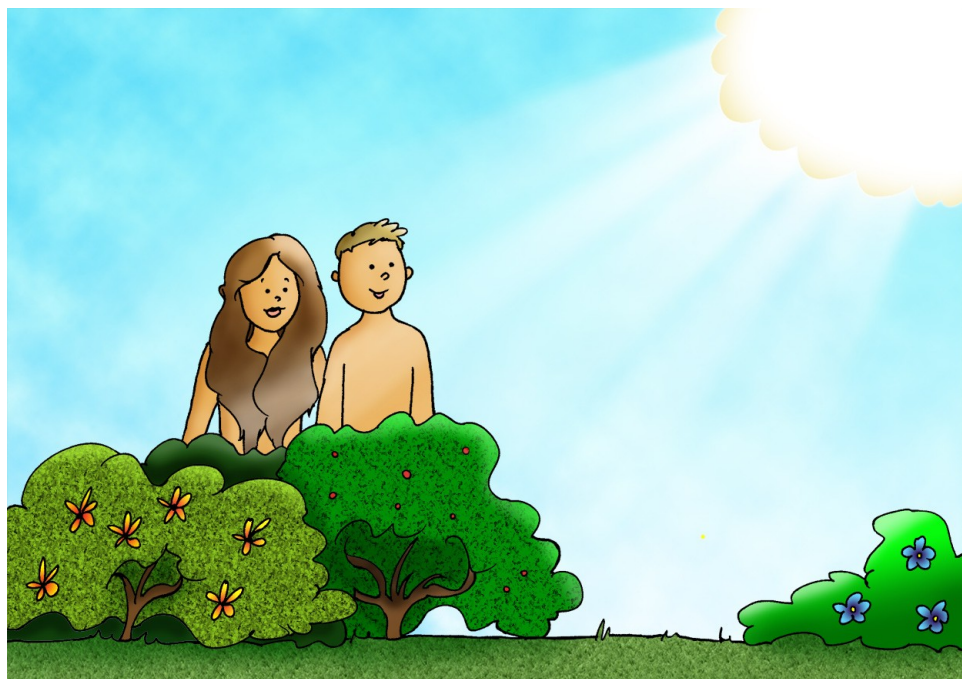

Easy Reader

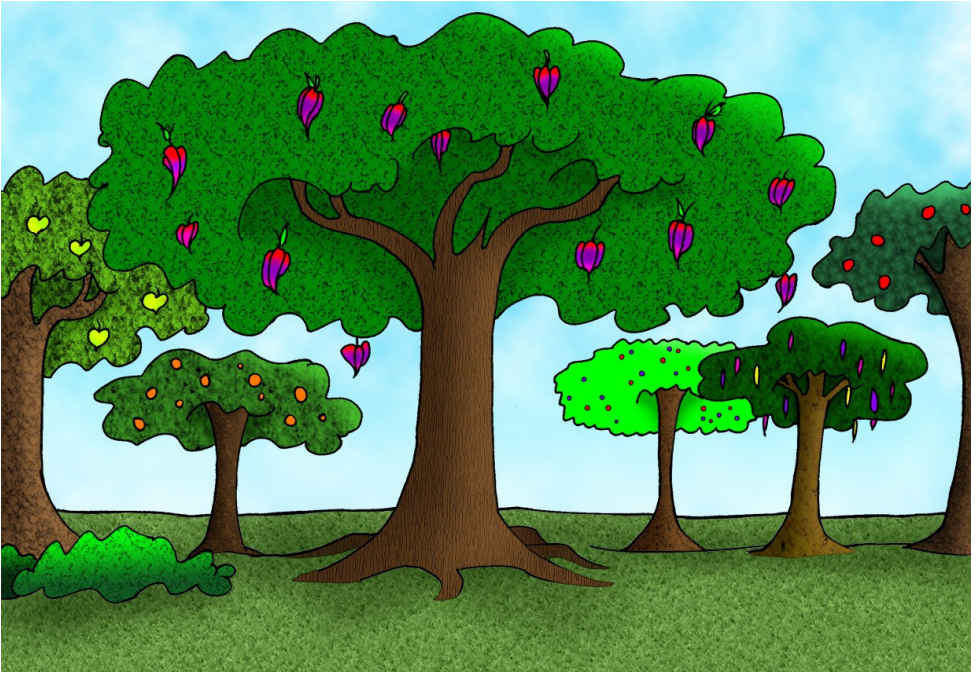

God made a
special place,
"The Garden of
Eden."

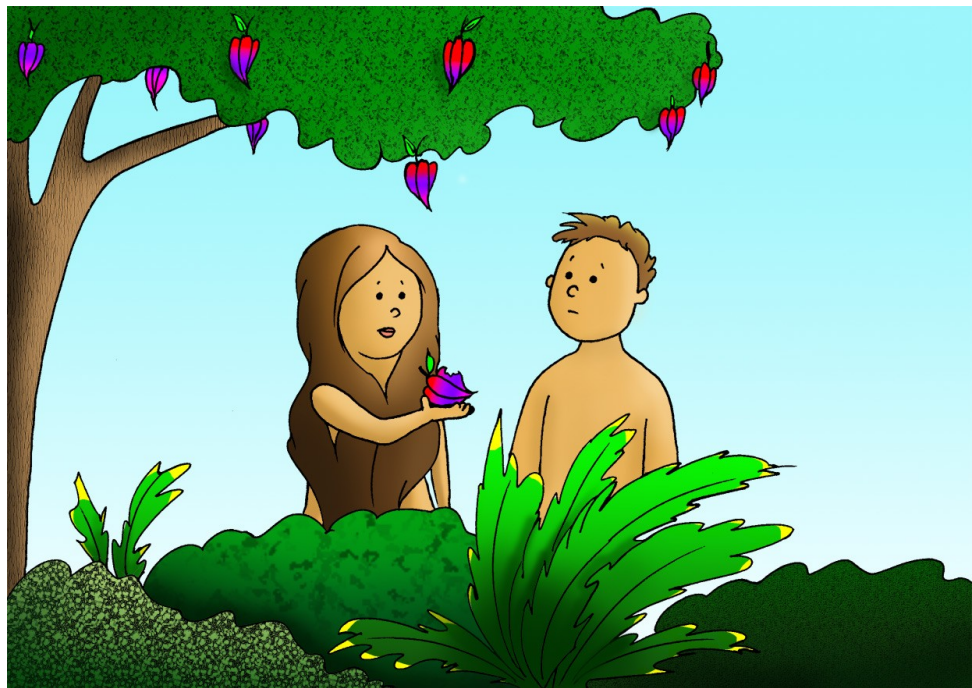

It had only
good plants,
and the animals
were gentle.

God talked with
Adam and Eve.
He gave them
fruit to eat.

But they were
to not eat the
fruit of one
certain tree.

They did not obey, and this made God and them very sad.

When we obey
God, then we
are happy. God
loves each one.
