Jacob

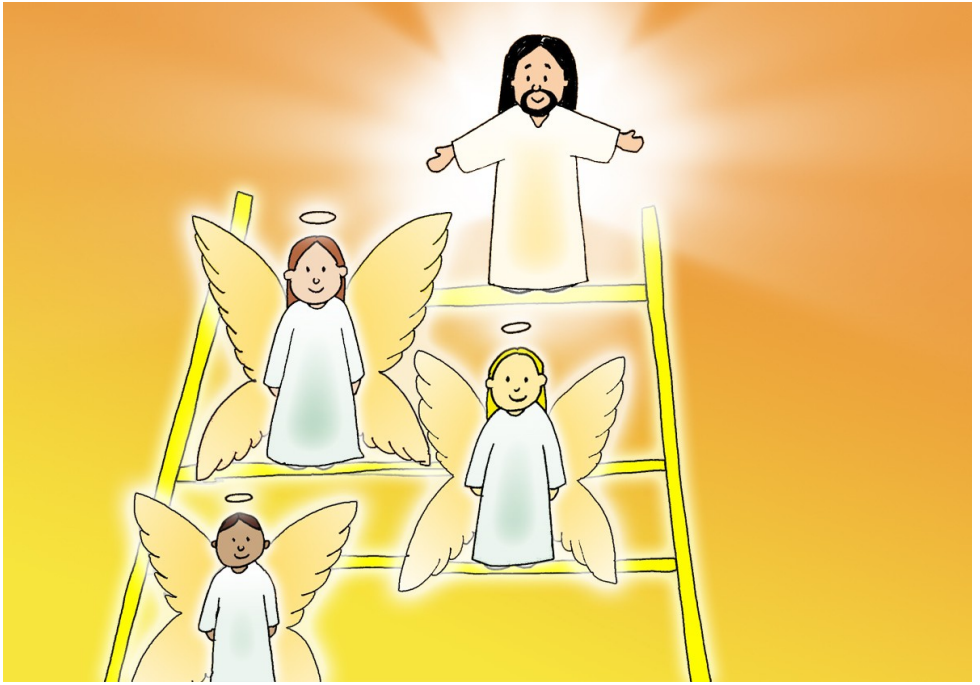

Easy Reader

Jacob had to
move away, as
he was selfishly
taking what was
Esau's. How sad.

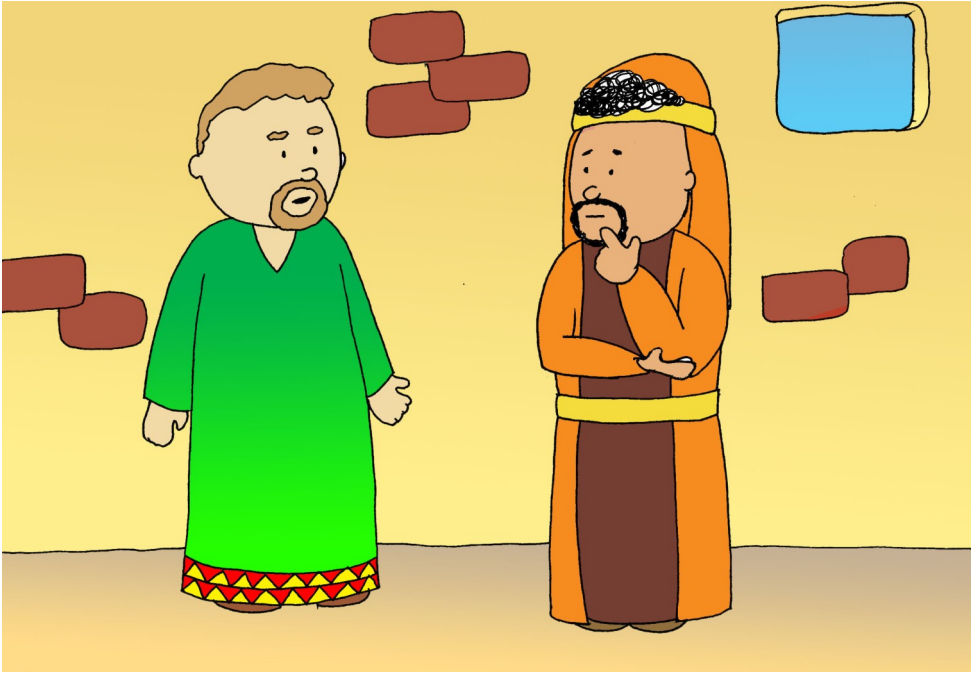

God loved and
was with Jacob.
He had a
special dream.

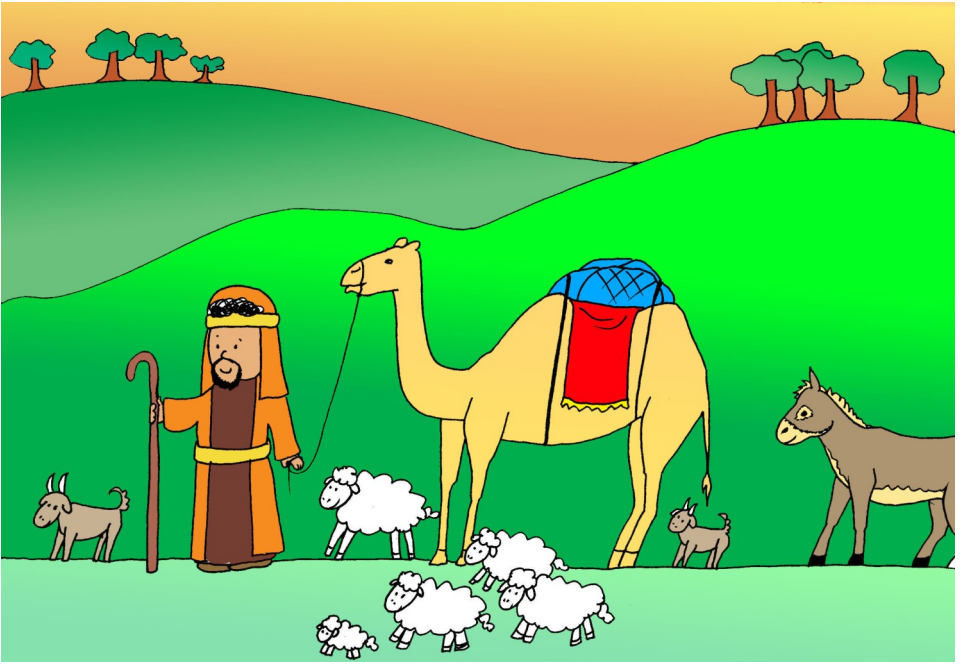

The Lord and
His angels were
in the dream.
Jacob was glad.

Jacob chose to follow in God's way. He had a big family.

His uncle Laban
wasn't honest.
Jacob worked
hard anyway.

At last Jacob
and his family
left to return
to his old home.
