God Cares

Easy Reader

Moses prayed
for food for
the people. God
sent some food.

Every day the
people picked
up the special,
yummy food.

They had what
they needed.
God took good
care of them.

Moses and the
people travelled.
He asked God to
send water.

God said to hit
a rock. When
Moses obeyed,
water came out!

One time the
people sang and
dug, and water
sprang up.
