

Messages for children--from Jesus and His Angelic helpers

(Dad speaking:) Did you know that Jesus sees giving and sharing as very important? Many times in the Bible Jesus talked about giving to others, and sharing of our things with those in need.

Jesus said, "Love thy neighbor as thyself" (Mat. 22:39). When you love someone you want to do things for them to make them happy—by giving them love, your time, and doing things that make them happy.

Jesus also said, "Give and it shall be given unto you" (Luk. 6:38), which means if you give, you will also receive. The best thing about giving is that when you give to others, it always comes back to you.— Jesus blesses you for sharing with others and giving to them in love. It makes Him very happy, and it'll make you happy too! *(End of message from Dad.)*

Prophecy from Rosalinda—my spirit helper

Hi, Melo! Do you want to hear about the times we angels have helped you? The first time was when you were very small, just three or four months old. You got bronchitis for about six months. The Devil really wanted to take away your life. The Lord wanted your parents to get desperate, but He also wanted to teach the Devil a lesson.— That was that he had no right to take away one of His children's lives. The Devil wouldn't go, so we, or rather I, with the Lord's help, got rid of him.

Another time was when you were chasing your brother around the house and fell on your nose. You would have gotten really hurt if another of your angels, who we call Jonny (he's your age) wasn't lying under you on the cement. Ha!

Then I blocked a ball from hitting you too hard. There are countless times we have saved your life. We've helped you sing, dance, do school, and play sports—even ping-pong. We love you to have fun.

Rosalinda

(Jesus speaking:) All My little sheep, I love to pick you up in My arms and cuddle you for I am Your Shepherd and I take care of you. I always give you what I know you need. I give you special gifts and treasures. So keep eating up My Words that I pour out to you. They are good for you, and if you treasure them and read them you will grow strong in the Word. For you shall be My Endtime troops and you need to prepare for it. Revel in My Words, and stay close to Me.

(Jesus speaking:)

This is the beginning of a new year, and with this new year comes greater challenges, and with those challenges, greater blessings. I have given you a new weapon to fight with, the keys of My Kingdom! Take up these keys and use them to the full. Don't delay, use them today!

I love you so much, My children, and I want you to be able to partake of this power. These keys are your direct link to the reservoirs of the power of Heaven, and I wish for you to now take hold of them and let My power flow through you.

You will find that this year you will be faced with greater difficulties. But don't let this get you down! Don't give up! Instead, take these keys in your hands and fight onward! Now, is the time that I am calling each and every one of you to take hold of these keys and rise above!

I am with you always; I am right here to hold your hand. All you must do is keep these keys close to you and have faith that I will then work miracles through you. Through the keys of the Kingdom nothing is impossible for you! So stand up with Me now and we will walk onward and upward as we hold the keys of the Kingdom!

You have entered a new and exciting year, with an endless stream of My Word flowing with you all the way, helping you, carrying you through and protecting you. You have finished an entire year of serving Me. You have accomplished many a great task for Me. You have been My warriors in prayer, in prophecy and in the many praises that you send My way. I love it that you always are wanting and asking for My Words of guidance, comfort and encouragement. Then it brings Me even greater joy when you lift your hands in praise to Me, your loving Father and King.

I love each one of you soooooo much. I wanted to tell you that you're doing great and I am so proud of you. You are doing so well with using the keys. They are very important, you know. In this New Year you will need to use them a lot. They will be your help. Through them I will be able to help you like never before. But you must learn to use them and use them often, because you will need to be trained in using them if you wish to be a bigger witness and help.

I love you all.

(Jesus speaking:) You're doing very well in your school and are applying yourself well. The only problem is that in order to do your school as well as is expected of you, you must be more yielded to correction, apply yourself a little bit more, and you must try to enjoy it and not despise it.

Anyway, someone else wants to talk to you now and I think you already know him. Here he is:

(Spirit helper Orion speaking:) Hi Stephen I wanted to talk to you because I think I know how you feel. When I first went to school I didn't like it at all. I looked forward to when it would end. But I learned that if I wanted to do well in school I had to do it wholeheartedly and happily. When I tried that, I started to do better and soon became one of the best in my class. It is all in the mind. If you think you can, you can! That's about all I have to say for now. Goodbye.

(Jesus speaking:) You do very well at your school, but I want to tell you what you can do to improve and do better, to apply yourself better. One of the biggest things you can do is shut down your "I can't" way of thinking. Reverse it and make it "I can!" You can do it and need to really push to get back into a positive way of thinking. Your doing your school also depends on your attitude in doing it. If you're determined that you're going to do it no matter what, then you will do it, and I will help you.

Received by Trevor (6) for Olivia (6) who was sick at the time:

(Jesus speaking:) I can heal you. I love you, My sweet Olivia. I can heal you with one touch of My angels. I can heal you, and anyone who is sick as well. When you get better, but even now, you can pray for other people that are sick too. Okay?

It takes a bit of time to heal you, but you will get better as you get the vitamins that I have given to you for your healing. Okay? These are little special vitamins.

Do you know what those vitamins are? The Word! If you read the Word, you will get one of the vitamins that will make you better. So read the Word all the time, and especially when you are sick! Okay?

From Chris (8)

For my eighth birthday I got two turtles for pets, something that I was praying for, for a long time. I was very happy to have my own pets to look after. But last week one of them suddenly died and I was very sad. We had a little funeral for my turtle and buried it in our yard. Even though I knew that he was with Jesus, I was still sad, especially when I would look at his little cross in our yard.

My mommy suggested that we could ask Jesus about him, so I could know how he is doing in Heaven. My turtle spoke to us and said:

"Hi, I'm up in Heaven now. Thank you for taking care of me. I'm having a nice time. There is no need to worry, I'm happy now with my turtle friends, Bubbles and Splash. They are good friends. I love you lots!

"I have so much fun swimming in the Fountain of Light, splashing and diving. I never had so much fun before when I was in a little water tank. And guess what? We can swim and dive together when you come up here. We'll have a great time together and you'll enjoy it very much. I love you, Chris. You are a good friend of mine!"

Prophecies received by Michael (11)

(Jesus speaking:) Another one of your spirit helpers that I would like you to get acquainted with is your guardian angel. He has not only been through spiritual battles, but while he was on Earth he went through physical battles. He lived in the Middle Ages. I will now let him talk to you in person about his life and what he does for you.

(Sir Philip speaking:) Hello Michael. I am very glad that I can talk about my mission to you and my life on Earth. I was an English crusader. I fought in the Third Crusade [1189-1192]. I died fighting for what I thought was right, but I learned more when I came up here.

My duty is to protect you. An example of a case when I protected you was when you were riding your bike down the driveway and you lost control. You swerved to the side to keep from going off the road, but in doing so you fell off. I kept you from hitting your head or hurting yourself. There are countless times each day when I keep you from harm. But I am limited in my power to protect you when you do not pray for protection.

(Vision:) I see Sir Philip now. He is clothed in armor. In his hand he carries a banner; I can't make out what it has on it. He looks quite tall. Now he is saying something: "If you pray through the keys for your protection and safekeeping, I shall be unlimited in my power to protect you."

By Adina (6)

My mom helped me write down this prophecy. It is from Jesus and one of my spirit helpers. I drew a picture of her for you to see what she looks like. See if you can color it like it says in the prophecy.

(Jesus speaking:) My love is the wild wind. My spirit helper to you is like the wind--wild and free. Her hair is long, it flows past her knees; she has curls in her hair. Her eyes are green; her lips are red and [she has] white teeth. She is looking at you now; ask her to speak to you. *(End of message from Jesus.)*

(Spirit helper speaking:) Whenever you need me, I am here. I have golden wings. I flow like the wind. I have a white robe.

Like the winds you can shut me out, by closing the doors and windows of your heart. Don't close your heart to me. Let me flow freely through your heart and thoughts and actions. Then I can help you to be all the Lord wants you to be.

I love you so much. Don't shut the windows on me. I'm with you all the time. I can pass on many whispers from Heaven to you. *(End of message from spirit helper.)*

From Jesus

Sometimes you find that you may not
Understand why you have to change.
Oh, you must have quickly forgotten,
That I have put you forever on stage!

To those younger than you in the house,
And the people on the outside, too,
They see how you are acting,
And if you are letting Me shine through.

And even when you are not around,
Any people that you can see,
I am still watching you so very close,
Just like you watch a bumblebee.

You may think that it is just a simple thing,
"Just a few words here and there," you say.
But just what you read sometime ago
Is still the same today!

(Jesus:) Do you ever think that you can't do much or are too young and small to make a difference? Well, to Me you're not too small, because when you pray and use the keys you can do miracles!

It takes time to learn how to do something new—like calling on the keys! But if you ask Me to teach you how to use the keys, I will send spirit helpers to help you to remember to call on the keys. My spirit helpers will not only help you to remember, but they'll also tell you what key you can call on to help you.

Ellya can help you to learn how to use the keys. So ask her to help you remember to call on the keys. And Tola and Tor can help you to learn more about the awesome power of the keys!

Remember to use the keys! They can do miracles for you, even little you!

By Melody (12)

One day I asked my mom if she could pray with me and ask the Lord who my spirit helper is. So we prayed and we both got prophecies. Here are the prophecies we both received:

(Jesus:) My sweet, loving Melody, I love you so much and will always be by your side. To Me you are gorgeous, wonderful, and shining in your efforts to come closer to Me. I have a spirit helper for you. Her name is Gloria. She shines with My glory. She is unselfish and very lively and loves to play and have fun, just like you do. She can also help you in learning to play the guitar and speaking the language of her land. She is very outgoing and gives from her heart.

Call on her whenever you need her. She would love to be used more, and to be a greater help. Her job is you, just you, and she is dying to let you know about her. Don't wait! Call on her. She'd love to be a bigger part of your everyday life.

She loves you and has always had a strong burden for you. You can pray for her to help you in the name of Jesus, and she'll be there. Love, Jesus (*End of message.*)

(*Gloria:*) Hi, Melo! I love you so much and have been waiting to talk to you for a very long time. My name is Gloria and I'm from South America. I protect you from harm; I fight the evil ones, and destroy them with the power of the keys of the Kingdom. I wish I could talk to you more and tell you my secrets. Love you, Gloria (*End of message.*)

(Jesus speaking:)

You, who give your whole life to Me, who are constantly witnessing, can have dozens of helpers, warriors, and protectors, to help you stand strong through the trials and fight the battles you face.

You are given angels of courage, angels of wisdom, angels of miracles, angels to help you receive prophecies, angels to help you have faith, to persevere, angels that help to heal, angels that even give you physical strength. Some of you have a *host* of angelic helpers.

Some angels are just on short assignment. For example, when you go on a dangerous mission you are even given a band of warrior angels to protect you from harm, robbers and mishaps.

And when you fight heavy spiritual battles you are also given warrior angels to help you through your battles.
