**Sing this to the tune of "Happy Birthday to you":**

On the first day God made light,

On the second day divided the waters,

On the third day of creation, God made land, trees,  
plants and flowers.

**Plants need water to grow well.**

Are there any plants you can  
help to water today?

**Can you find anything that God made, and tape it  
on here? (seeds, flowers, grass, leaves)**

A large, empty rounded rectangular box intended for students to paste or draw natural items.

# Genesis 1:3    God said, Let there be light: and there was light.

Use a light, and turn it off. Quote the verse. Turn the light on at the last phrase of the verse “and there was light!” Repeat as often as needed, until the verse is memorised.

Put a sticker here,  
when you know the  
verse!
