David Livingstone was a missionary that liked to explore. He travelled all around Africa discovering new places, plants and animals. He made maps and drew pictures of what he found.

One time he was walking with a friend and found diamonds on the ground. But he wasn't as interested in the diamonds, nor the scenery, or the amazing places he saw as much as he was in the people of Africa that he was there to help and teach.

He wanted to explore and make maps so that he could make it easier for him and other people to travel around and to tell people about Jesus.

A picture to colour!

Matthew 5:7-8 Blessed are the merciful: for they shall obtain mercy. Blessed are the pure in heart: for they shall see God.

Put a sticker here, when you know the verse!

Answer these questions and talk about:

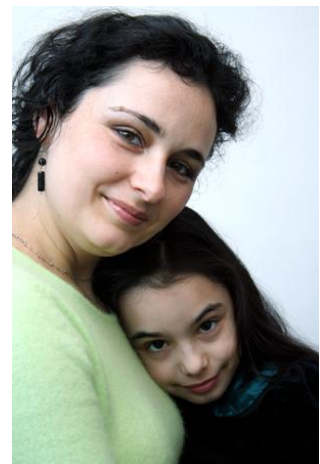

- *How can you show “mercy” to your brother, or sister, friend or parent, when they’ve made a mistake, or accidentally broken something?
- *What kind of thoughts , games, and activities make Jesus happy?
- *If you have feelings in your heart that aren’t good and true, what can you do to wash it away and make you clean again, and help you to look to Jesus and think about him?

Use objects to figure this out:

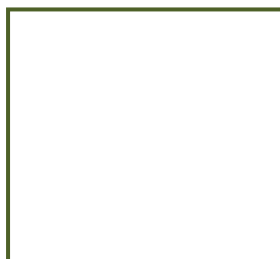

The girl gave 5 hugs to her brothers,

and 4 hugs to her mommy.

How many hugs did she give?
