Did you know that the first people to live on Earth desired to know the wrong kinds of things, the knowledge of evil, and this brought sin, sorrow, death and destruction to the world?

Sin is when we don't choose to do things God's loving way, but to do the opposite, and go down a difficult and destructive path.

God made the world for us to live in, because He loves us, and wants us to learn about life and learn about Him. God is our heavenly Father, and to have life and love and joy we need to listen to Him and choose to obey His ways.

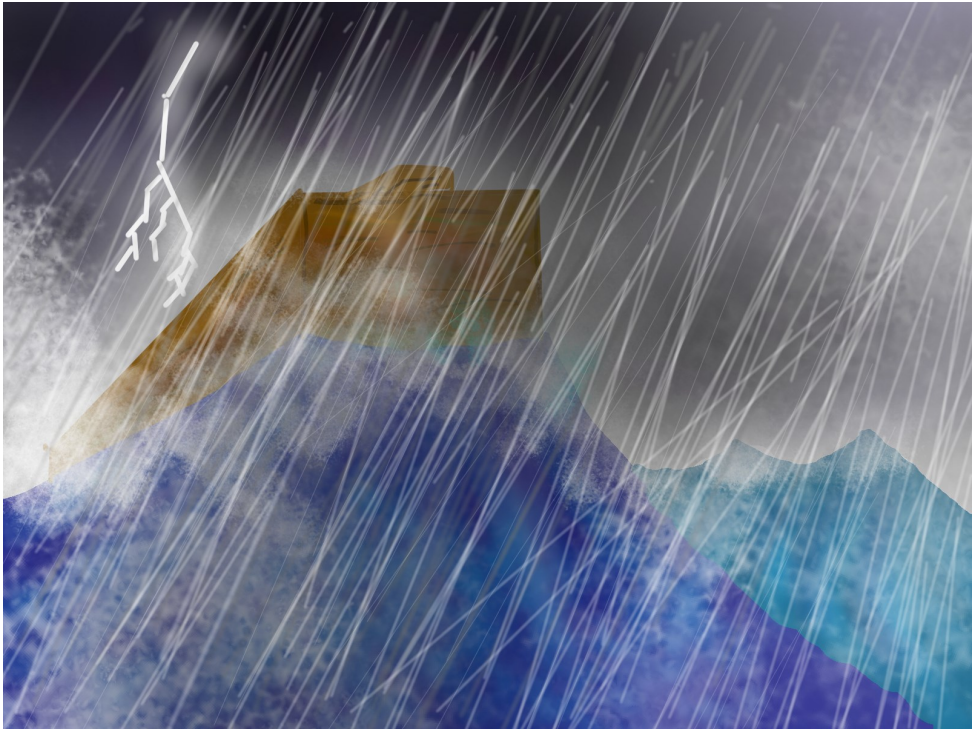

One major event took place as a result of the terrible state humans got themselves into.

A worldwide flood--that took the lives of most of the world's first population--was the only way to restart life on planet Earth.

God must have cried as nearly everything He created had to be washed away; there was nothing good in people's thoughts and actions anymore; they didn't love and respect Him as their Creator and Father. It broke his heart.

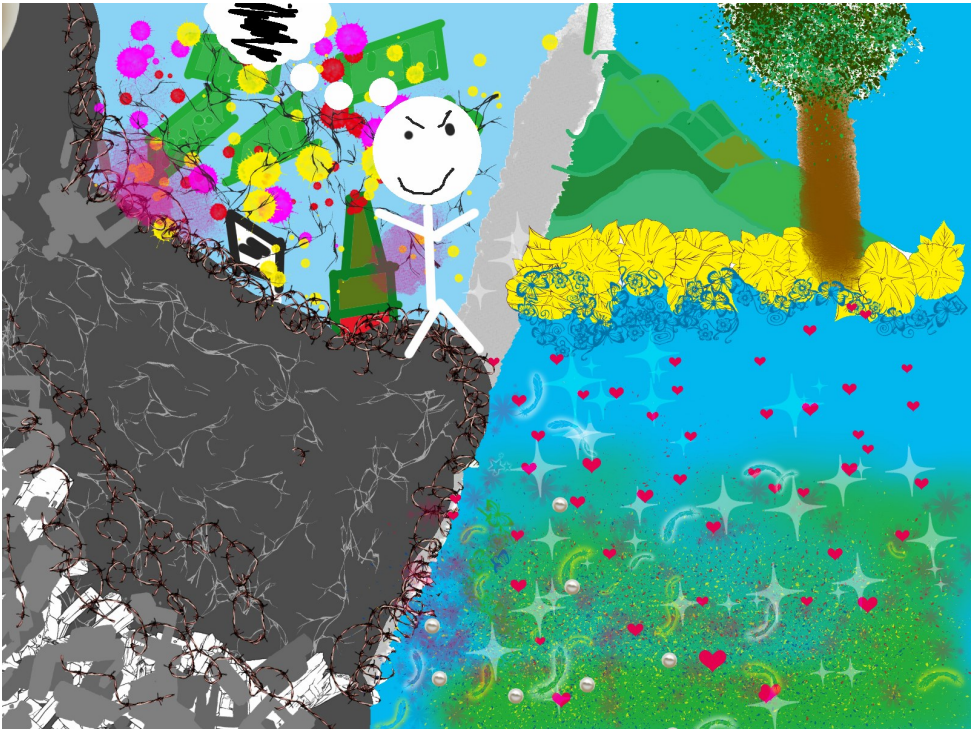

Only one family was saved, because they loved God. They listened to what God told them, and then obeyed His instructions to build and to enter into the Ark.

The Ark was like a large box-shaped boat.

Others could have been saved too, but chose the world's destructive, proud and selfish ways, rather than going through the door God opened for them—into the ark of safety.

When the people on the newly washed world began to again go away from God, and choose to worship other things—like the moon and the sun, and wished for people to worship them as if they were a god—this led to the next difficult event.

To stop things from getting real bad, real fast again, God gave every family a different language to speak that only they could understand. There was confusion.

The work on the tall and proud tower that they had united to build came to a halt, and people were scattered all over the world.

Today, confusion and catastrophe, destruction and death still ruin things as people's choices and thoughts are polluting the world.

Many people are listening to the voice of the enemy of God who is trying to destroy people before they have a chance to get to know and love God, and find out how to live forever. Who will choose the way to God? Who will listen to Him and love Him with all their heart?

To help point the way to the best place of refuge, back Home to live forever with God—He sent Jesus Christ to Earth, about 2000 years ago, to bear the punishment of our sins.

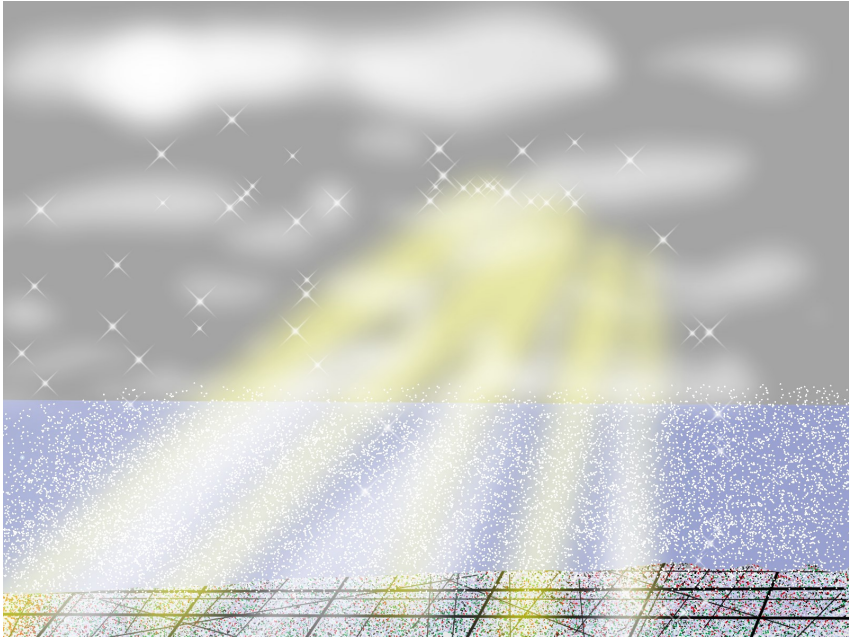

Jesus, God's Son died on a cross, taking the death penalty for sin, for all humans that have ever lived. He then rose from the grave, on His own, alive forever.

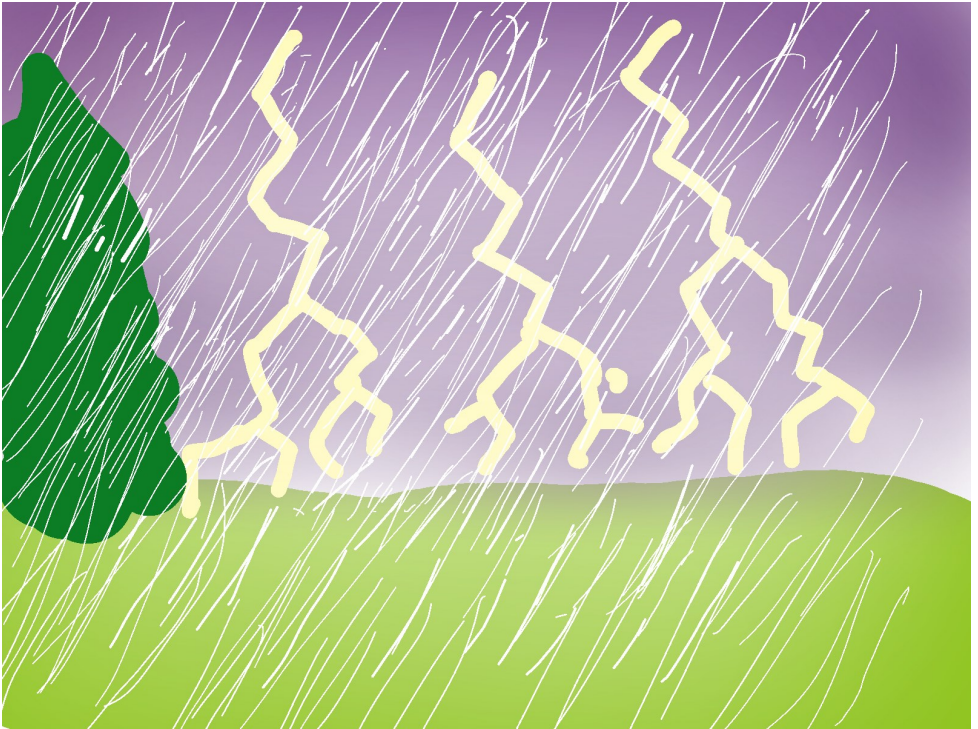

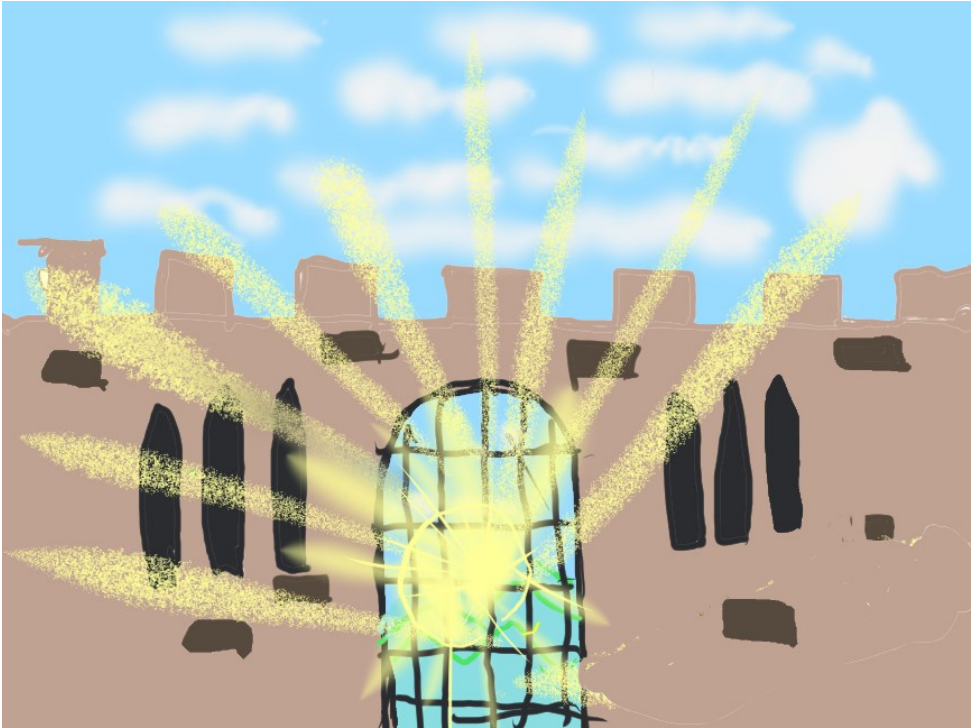

Will you go through the door to be saved, like that good family went into the ark and were saved? Will you knock on Jesus' door and ask Him to save you, forgive you, and let you be a part of God's great family of love that will rule the world one day?

Will you choose to follow God, even if those in the world make things difficult for you? It's nothing compared to the troubles that the enemies of God will experience, when Jesus Christ comes back to rule the world and clean up the mess.

The only way out to escape the troubles that are coming to those who still choose the evil is to become a part of God's family.

The only way to be a citizen in *God's Kingdom*, and have *eternal life* is to believe that *Jesus Christ* took the penalty of death, in your place, and then rose up alive to live forever.

Receive Jesus' free gift of salvation by asking Him, in a prayer like this:

"Dear Jesus Christ, God's Son, thank You for listening to my humble prayer. Through this prayer I am knocking on your door—for You are the only door, or way, to Heaven and happy eternal life.

"I know I've been bad and selfish. I am just human. There is no way I can live forever, and be good enough on my own for You to have me live with You forever in Heaven.

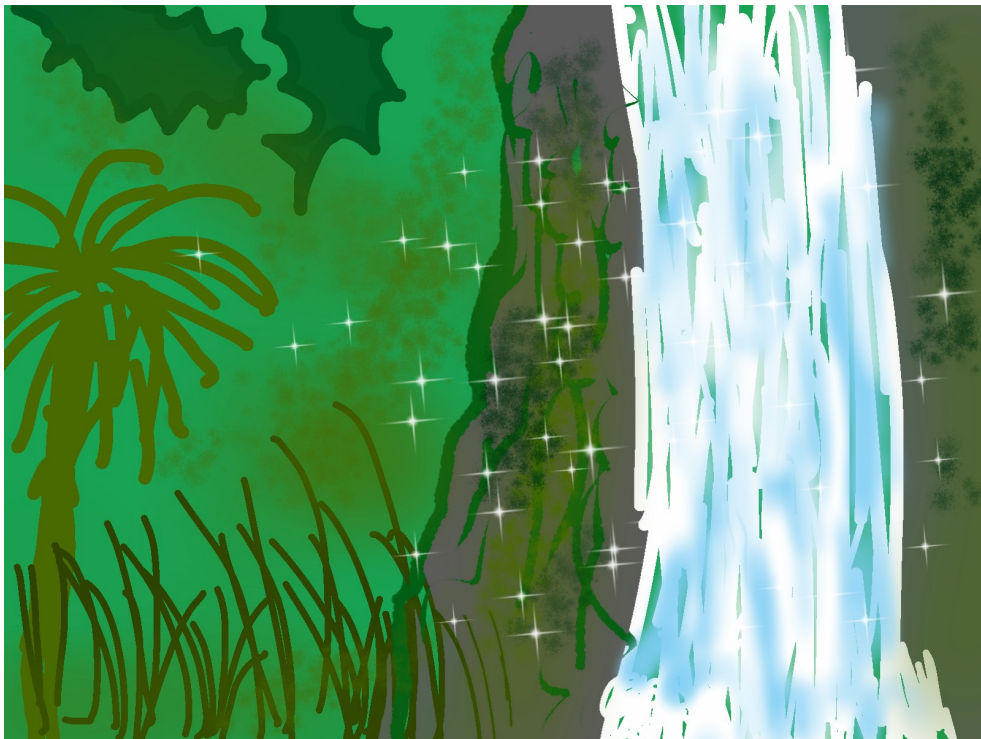

"I ask You with all my heart, to please grant me the free gift of forgiveness and pardon, the salvation that you are freely offering. Please, come into my life and heart and fill me with Your spirit.

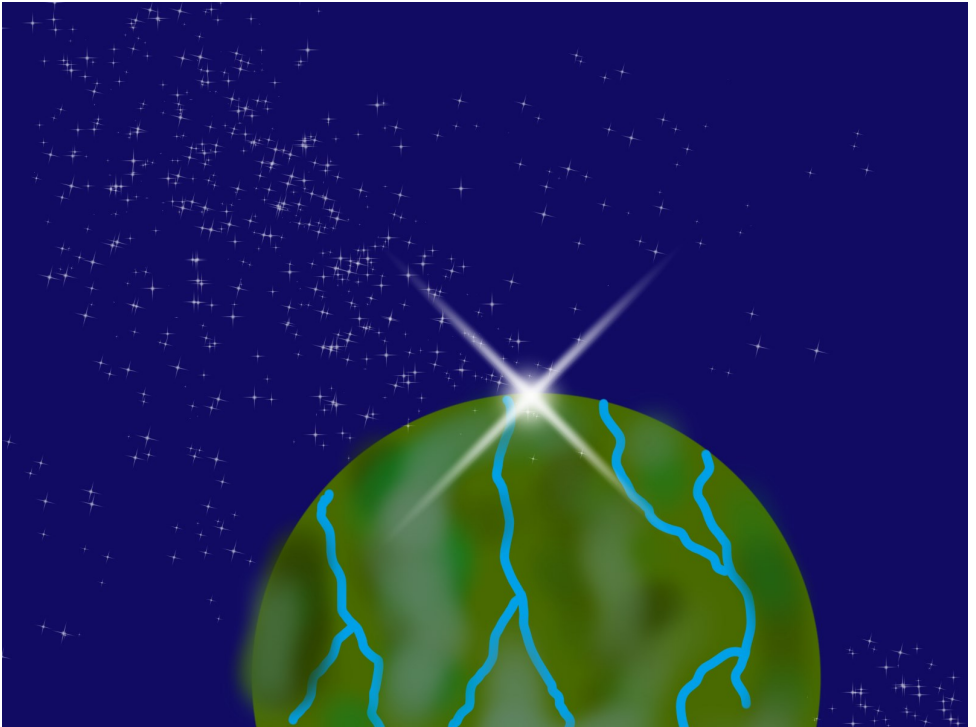

"I want to be washed of all the wrong and evil that has messed up my heart and mind, and I want to start again, as a new child in my new family—the Family of God.

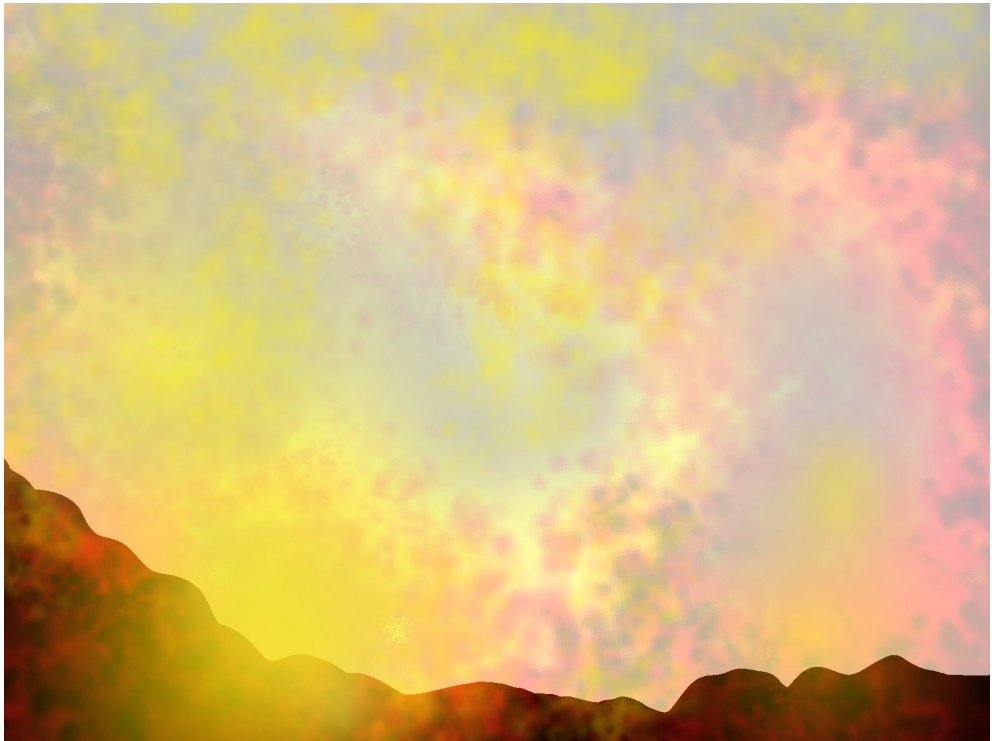

“Please teach me what I need to learn, and help me to be faithful to listen to You each day, through reading the Bible, and listening to what You, Jesus, want to tell me personally.

"I belong to You now. I renounce the world and choose to be part of Your great Kingdom and Heavenly family.

"Thank You, Jesus, for Your love."

If you meant this prayer, then you are now a part of God's Heavenly family and can look forward to the day you will see Him and live forever in His beautiful place—beyond what you can imagine, it's so good!

He's coming soon! Watch and pray.
